RE: Bond with Corporate Surety (Bond No. 106508211 with no expiration date)

Dear Ms. Griffin:

Order 9020 issued by the Delaware Public Service Commission (the "Commission") in PSC Regulation Docket No. 49 revised 26 *Del. Admin. C.* §3001 (the "Supplier Rules"). The Supplier Rules no longer require Electric Suppliers to secure a bond with corporate surety guaranteeing the repayment of all customer deposits and advances. The Commission's records indicate that the bond provided under the previous Supplier Rules has expired or is due to expire as indicated above. No replacement or renewal bond will be required.

I can be reached at (302) 736-7521 or by email at malika.davis@state.de.us, should you have any questions.

Sincerely,

A handwritten signature in purple ink that reads 'Malika Davis'.
